

OUR PLEDGE TO RENEW THE MARRIAGE COVENANT

We believe marriage is a perfect gift from God, created with great purpose and blessing.

We agree, as a couple, to honor the first two covenants in the Bible. The first covenant is for a man and a woman to become one flesh. The second covenant is given to both partners in this marriage to be fruitful, fill the earth and take dominion over it.

We pledge to teach our children the Word of God and its application to every area of life and not allow them to sit under false teaching that would lead them away from the Lord and His purposes for their lives.

We believe our marriage is a picture of the unconditional, unbreakable love of Christ for his Church and God's foundation for family.

We commit to cherish and protect one another at all times.

We promise to turn from selfishness and pride and seek to honor and serve one another.

We commit to being slow to speak, slow to anger, and quick to listen as we seek to understand each other.

We commit to forgiving one another, as God in Christ has forgiven us. We will seek reconciliation rather than retaliation through all of life's challenges.

We commit to being honest and open in our communication, and patient with each other's faults.

We commit to pursuing togetherness in our marriage and learning to be best friends.

We dedicate ourselves to replacing critical and complaining attitudes with words of appreciation and encouragement.

We commit to being loyal to one another, pursuing purity, faithfulness, exclusivity and intimacy.

We commit to pray for and with each other.

We dare to dream that God will restore and renew our marriage so that our love will endure to our children and our children's children.
